

Lounge Lizard:

About: Lounge Lizard gummies pair a powerful dose of THC with the tropical flavors & kitschy charm of a San Francisco city Tiki Bar. Pull up a barstool, or beach chair, and let your aches and stresses roll away. Also great for dancing around your house naked, laughing your butt off or finding the joy in organizing your sock drawer. For experienced users.

Experience: Laid-Back, Euphoric, Tropical, Tart

Flavors: Peach Bellini, Strawberry Daiquiri, Appletini, Piña colada

12.5 MG THC	200 MG THC	16 PIECES PER PACK
PER CANDY	PER PACKAGE	

Dosage: Start with a small dose ($\frac{1}{2}$ a gummy) until you know how it affects you. It can take as little as 15 minutes or as long as an hour to feel the effects of a cannabis edible. **For safety, wait at least 1 hour before redosing.**

Storage instructions: For best results, please store in a cool, dry place.

WARNING:  Keep away from children and pets.

Ingredients:

WHAT'S IN IT?	WHY?
Cane Sugar	Makes sweet things sweet
Glucose	Prevents crystallization
Gelatin	Provides awesome chewiness
Candy Oil	Concentrated flavor, sans preservatives
Coconut Oil	Ups bioavailability of cannabinoids
Sunflower Lecithin	Superfood emulsifier, boosts potency
Tartaric Acid	Balances sweetness + improves texture
Potassium Sorbate	Inhibits mold growth
Color	Brown gummies look yucky
Full Spectrum THC Concentrate	As Mother Nature intended

Netflix n' Chill:

About: Netflix n' Chill gummies combine a potent dose of THC with carefully curated flavors from the concession stand of your local movie theater (without the shameless gouging). Slip into something comfortable and (booty) call a friend because the night is young and "stranger things" are going to happen. Also suitable for finding your flow, attending the opera or dinner with your mom. For experienced users.

Experience: Smooth, Chill, Sweet, Salty

Flavors: Hot Buttered Popcorn, Blue Raspberry, Orange Creamsicle, Fruit Punch

12.5 MG THC	200 MG THC	16 PIECES PER PACK
PER CANDY	PER PACKAGE	

Dosage: Start with a small dose (½ a gummy) until you know how it affects you. It can take as little as 15 minutes or as long as an hour to feel the effects of a cannabis edible. **For safety, wait at least 1 hour before redosing.**

Storage instructions: For best results, please store in a cool, dry place.

WARNING:  Keep away from children and pets.

Daytripper:

About: Daytripper gummies optimally balance a therapeutic dose of CBD with a functional dose of THC, for those who want to float through their day getting shit done. Feel creative, motivated and blissed-out while avoiding the anxiety and confusion that can accompany high doses of THC. Also, try at bedtime to spend your night tripping through fields of daisies. Perfect for both new and experienced users.

Experience: Creative, Social, Crisp, Fruity

Flavors: Strawberry Lemonade, Orange Juice

Straight Shooter:

About: Straight Shooter gummies use a compelling dose of CBD to help you embody the mantra "quiet mind. steady hands." These little cubes of bright flavored calm are the antidote to your internal and external high-speed chaos. De-stress in real time, while maintain clarity and focus. Also, hugging yourself is a thing. Effective for anyone who needs to stick the dismount.

Experience: Focused, Calm, Bright, Fresh

Flavors: Lemon Drop, Cool Mint
